

MOTOROLA

Intent-to-Cancel

Introduction

24 February 2017

Europe Middle East and Africa (EMEA) only

With the introduction of the MTP6650 with expanded features and the ST7000 to address the valuable Office/Management opportunities the decision has been taken to revise the TETRA Devices portfolio to provide simplicity of choice and more importantly greater competitiveness.

The below listed Models will be subject to cancellation and a accompanying support Price Change Notice (PCN) for the MTP3500, MTP3550 and MTM5400 will be issued and loaded to Motorola on Line (MOL);-

MTP3100
MTP3200
MTP3150
MTP3250

MTM5200

Aftermarket Accessories, Spares and support are unaffected by this cancellation, the standard post cancellation support of five (5) years will apply subject to normal conditions.
