

TWO-WAY RADIOS

New Product Introduction

Earbud with 3.5mm Jack for the GP Professional Series

This light and simple earpiece has been specifically designed to be used in conjunction with the GP Professional Noise Cancelling RSM and PSSM. You can listen discretely and still use the RSM or PSSM for convenience when talking. The Earbud connects quickly via a 3.5mm jack and once connected it disables the RSM's or PSSM's speaker.

Earbud for GP Professional Series Radios:

MDRLN4885A - Earbud with 3.5mm jack
